WINCHESTER PUBLIC LIBRARY

Summer Reading List 2009, for Grades K-5

Dear Families,

Once again it is time to think about trips to the beach and relaxing vacations. Summer is here! It is also time to think about trips to the Winchester Public Library.

We hope that the recommendations in this Summer Reading List will be of assistance to you in your quest for quality reading. The list is meant to be used as a guide, a starting point in your search. We've chosen a selection of award-winners, personal favorites, classics, and children's choices.

The Winchester Public Library will have copies of all the titles listed, but specific titles should be reserved early in the summer. The Children's Librarians are eager to assist you in finding your selections.

It is important to read daily over the summer. Join the Summer Reading Program at the library. Books on CD are a wonderful alternative for long car rides, and several of the titles on this list are available as unabridged recordings. Family read-alouds in the evening can help to make the summer a special time for everyone. The library has lists of books that are perfect for reading aloud.

Happy Reading!
